

## **REMARKS**

New main claim 12 is substantially similar to original claim 1 except for

- 1) deletion of the phrase "having a thickness of 50  $\mu\text{m}$  or more and 50 mm or less";
- 2) addition of the limitation "then adjusting a thickness of the cured photosensitive resin layer and shaping a surface of the cured photosensitive resin layer"; and
- 3) deletion of the upper limit of the illuminance of "2  $\text{W}/\text{cm}^2$  or less" in two places.

Support for the addition of the limitation to claim 12 can be found in original claim 2. Support for the deletion of the upper limits of the illuminance can be found, for example, on page 16, lines 22-25.

Support for claim 13 can be found in original claim 1.

Support for claim 14 can be found in original claim 1.

Finally, support for claims 15-23 can be found in original claims 3-11.

Conforming amendments have been made to the specification.

Examination of claims 12-23 is requested.

If there is any fee due in connection with the filing of this Preliminary  
Amendment, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
